

# LED STRIP LIGHTING SERIES

The Strip Lighting Series from Vision X is a suitable replacement for any compartment or under body illumination light. A slim and waterproof design allows for mounting on both interior and exterior compact areas where a small, but effective, amount of light output is needed without blinding the work area. This series has available different fixture lengths and includes an optional touch activated dimming feature.

## Features and Benefits:

- Aluminum extruded body for high impact areas and mobile equipment.
- IP65 rating preventing water intrusion when washing equipment.
- 15.6 Grms vibration rating for added durability.
- Frosted lens for small area lighting without blinding the user.
